

**Panel on Welfare Services**

**List of follow-up actions**  
(position as at 5 June 2012)

<b>Subject</b>	<b>Date of meeting</b>	<b>Follow-up action required</b>	<b>Administration's response</b>
1. Provision of infirmary care for elders in a non-hospital setting	13 December 2004	The Administration undertook to provide more details of the tender exercise before the next meeting, including the criteria used in selecting operators to run the trial scheme, justification(s) for inviting private home operators to participate in the exercise, and the reason(s) for setting the unit subsidy for each subsidized infirmary bed in a non-hospital setting at around \$11,000.	The Administration is exploring various options, including upgrading some of the places in subvented residential care homes for the elderly to provide infirmary care. The Administration will report progress in due course.
2. Progress report on the standardized assessment mechanism for residential services for people with disabilities	21 March 2006	The Administration was requested to include representative from the Hong Kong Council of Social Service ("HKCSS") in the Review Working Group on Standardized Assessment Mechanism for Residential Services for People with Disabilities and to increase the number of representatives from parents' groups in the Review Working Group.	The Administration will include representative from HKCSS and invite more representatives from parents' groups to the future Review Working Group meetings.

<b>Subject</b>	<b>Date of meeting</b>	<b>Follow-up action required</b>	<b>Administration's response</b>
3. Assistance to elderly not receiving Comprehensive Social Security Assistance ("CSSA")	8 June 2006	The Administration was requested to –  (a) provide a paper setting out the relevant figures to substantiate its saying that a pay-as-you-go retirement protection scheme was not feasible; and  (b) consult employees in Hong Kong on whether they were willing to allocate part of their MPF contributions, say 50%, to a pool for distribution to the current cohort of elders, on the understanding they too would receive a monthly sum of some \$2,500 in their old age.	The Administration is conducting a study on retirement protection in Hong Kong.
4. Regularisation and extension of the Neighbourhood Support Child Care Project ("NSCCP")	10 January 2011	The Administration was requested to provide a paper on the insurance plans for the home-based child carers and service users of NSCCP.	The Administration will provide the required information in the paper "Services to Support Families at Risk" scheduled for discussion in July 2012.

<b>Subject</b>	<b>Date of meeting</b>	<b>Follow-up action required</b>	<b>Administration's response</b>
5. Comprehensive Child Development Service ("CCDS")	13 February 2012	The Administration was requested to provide -  (a) a breakdown of the recurrent resources for CCDS by 18 districts and the respective distribution of resources for identification of and provision of follow-up services to needy children and their families;  (b) a breakdown of the additional posts for implementing the extended CCDS by their professions and role; and  (c) a breakdown of the service referrals by districts and types of follow-up services.	The Administration will provide the required information in due course.
6. Work progress of the Family Council	12 March 2012	The Administration was requested to provide a brief account of the work progress of the Family Council in the past five years.	The Administration will provide the required information in due course.

<b>Subject</b>	<b>Date of meeting</b>	<b>Follow-up action required</b>	<b>Administration's response</b>
7. Measures to support at-risk youths	12 April 2012	The Administration was requested to provide -  (a) the performance indicators of various services to support at-risk youths; and  (b) the work plan of the Committee on Services for Youth at Risk, and the areas of study carried out by the Committee in past years.	The Administration will provide the required information in due course.
8. Public Transport Fare Concession Scheme for the Elderly and Eligible Persons with Disabilities	14 May 2012	The Administration was requested to provide the following statistics in respect of recipients of CSSA and Disability Allowance -  (a) number of persons with disabilities, together with a breakdown by different levels of disabilities; and  (b) number of children with disabilities aged below 12 and the percentage of those attending schools.	The Administration has provided the required information vide LC Paper No. CB(2)2271/11-12(01) on 5 June 2012.
