Visits to the LegCo Complex by the public suspended

Due to the Tropical Cyclone Warning Signal No.8 issued by the Hong Kong Observatory, the Legislative Council ("LegCo") Secretariat announced that visits to various facilities in the LegCo Complex by members of the public scheduled for today (July 24), including guided educational tours of the LegCo Complex, and use of services provided by the Children's Corner and the LegCo Library, are temporarily suspended.

Services will resume two hours after the Tropical Cyclone Warning Signal No. 8 is lifted. However, if the signal is cancelled at or after 4 pm, services will be suspended for the whole day. Members of the public or groups affected may contact the LegCo Secretariat at 3919 3441 during office hours to re-schedule their visits.

Ends/Tuesday, July 24, 2012
