Power suspension in the LegCo Complex on 28 July and
11 August 2012

The power supply in the Legislative Council ("LegCo") Complex will be suspended on 28 July (Saturday) and 11 August 2012 (Saturday) from 9 am to 5 pm for regular maintenance and integrated reliability tests for building services and electronic installations in the LegCo Complex, which are crucial for a smooth operation of the Complex.

During power suspension, various public facilities and services in the Complex, including guided educational tours of the Complex, Children's Corner, Library and LegCo cafeteria will be suspended.

Ends/Thursday, July 26, 2012
