Dear Dr Yeang,

West Kowloon Reclamation Concept Plan Competition

I am writing to seek your kind assistance with respect to the captioned Competition held in Hong Kong in 2001/02, of which you were one of the entrants.

Recently, there have been media enquiries about the conflict of interest declaration of a juror of the captioned Competition and requests for disclosure of relevant information. We also note from media reports that you have suggested that additional information pertaining to the Competition be disclosed.

Taking into account our obligation to safeguard the confidentiality requirement and public interest consideration, we intend to disclose to the public further information. This will include the attached registration form and updated list of project team members submitted by you to the Organiser of the Competition in 2001.

We hope to be able to obtain your consent regarding the above proposed disclosure. We will take into account your responses in determining the way forward on the matter.

Thank you for your kind assistance.

Yours sincerely,

(Elizabeth Tai)
for Secretary for Home Affairs

Encl.

Project Team CVs

T.R. Hamzah & Yeang Sdn Bhd

T. R. Hamzah & Yeang Sdn. Bhd. is an international architect firm with its HQ in Kuala Lumpur, Malaysia that is best known for its "green" or environmental sustainable approach to the design of large buildings and sites.

The firm has been in existence over 2 decades, with projects in Europe, USA and Asia. Key projects include the high-rise National Library Board building (Singapore), the 40-storey Eco-Tower at Elephant & Castle, the 24-storey IBM Building (Malaysia) and 15-storey Mesiniaga Building (IBM franchise) (Malaysia), Worrina Cove Condominium (Australia).

The firm's design expertise is in their ecological approach for the design of large projects and buildings that include consideration given to their impacts of the site's ecology and to the building's use of energy and materials over its life-cycle. Much of the firm's early work pioneers the passive low-energy design of skyscrapers, as the 'bioclimatic skyscraper'. The firm is a long-serving member of the Council on Tall Buildings and Urban Habitat (USA). The firm practices Cost Planning (in delivering Projects to be within Client's budget) with great emphasis on rigorous in-house project management and control.

[REDACTED]

The firm has received over 20 awards including the Aga Khan Award for Architecture (1995) and the RAI International Award (in 1997 and 1999). The firm's work has been published extensively in the international press.

The firm's technical ideas are published in the book, "The Green Skyscraper: [REDACTED] and other publication.

LWK & Partners (HK) Ltd

LWK & Partners (HK) Ltd company was founded in 1986 and has grown to become a well established office with the capacity to offer a comprehensive and diverse range of architectural and urban design services. Blending sophisticated design and an intimate understanding of local conditions has earned LWK a reputation for excellence and reliability across all stages of the building program.

The office mandate is founded upon a fundamental respect of the clients requirements and aspirations for the building. With experience on a wide range of building types, the practice has achieved particular recognition on the areas of ; Luxury Residences, Quality Mass Housing, Office and Retails, Industrial Complexes, Institutional Buildings & Urban Planning.

As a mature practice with a proven record LWK has the capacity and the experience necessary to deliver the building on time and budget. Constant upgrading of our technical facilities and the introduction of Quality Assurance systems ensures that LWK is continuing to satisfy the detailed demands of clients both in Hong Kong and the Greater China Region.

Benoy Limited

Benoy has a reputation for providing clients worldwide, with design solutions that achieve their commercial objectives without compromising on creativity.

The practice offers the full range of design skills, from masterplanning, urban design and architecture to interior and graphic design.

Benoy understand that the art of masterplanning is in the development of a framework that, from the outset, creates a strong identity, whilst facilitating long-term growth and success.

High-profile projects for which Benoy are best known include:

- Royal Victoria Docks - part of the continued regeneration of the London Docklands
- Mermaid Quay, Cardiff - part of the regeneration of Cardiff Bay
- Kowloon Station, Hong Kong - retail podium and tower scheme over Kowloon Metro Station
- Bluewater, Kent - Europe's largest retail and leisure destination
- Brindleyplace, Birmingham – which received a Top Honor Award for 'Excellence on the Waterfront'
- The Manchester Millennium masterplan, following on from the IRA bombing.
- The Bull Ring, Birmingham – Europe's largest city centre regeneration project.
- Masterplanning projects are at an early stage in Malaysia, Saudi Arabia and Kuala Lumpur.

Battle McCarthy

Battle McCarthy is a multidisciplinary engineering consultancy, which specialises in the design of low energy, high quality, and environmentally responsive buildings and landscapes. The firm can provide a holistic design team approach including the following services:

- Environmental Engineering
- Structural Engineering
- Building Services Engineering
- Landscape Design
- Sustainable Masterplanning

Battle McCarthy are known internationally for our sustainable design approach and we have worked on a range of projects throughout the UK and overseas and with a diverse group of clients and architects. The company was formed over 7 years ago and now has a staff of over 50, principally located in London.

Davis Langdon & Seah Hong Kong Limited

Davis Langdon & Seah is an independent firm of quality surveyors, cost engineers and construction cost consultants providing professional consultancy services to the architectural and engineering sections of the construction industry. The firm was first established in Hong Kong in 1949 and has maintained a continuous presence in the territory since.

The Davis Langdon & Seah International group of practices forms the largest quantity surveying and cost consultancy practice in the world with 79 offices in 22 countries and a total staff count exceeding 2,300. The Hong Kong Office covers Hong Kong and China and currently has 9 Directors, 14 Deputy or Assistant Directors and over 300 staff. The practice is currently involved in both private and public sectors development. The range of projects of which the practice has provided quantity surveying services include infrastructural, residential, commercial, industrial, educational, health care and recreation facilities.

DTZ Debenham Tie Leung Limited

DTZ Debenham Tie Leung Limited (formerly DTZ Debenham Thorpe of Europe, Edmund Tie & Co. of South East Asia - Pacific and C.Y. Leung & Co. of North East Asia - Pacific respectively) provides a full spectrum of independent real estate services including valuations, feasibility studies, research, property management, leasing and sale of residential, commercial, and industrial properties, auctions, tenders, as well as acquisitions and disposal of real estate on behalf of clients.

DTZ land consultancy team has advised numerous clients on land grant matters and modification of lease conditions, planning issues, and consultancy jobs. Moreover, the team also prepared the feasibility study, including the financial analysis, of property developments.

In 2000, the Firm has participated in the KCRC West Railway Project as land consultant for property developments of Tuen Mun, Long Ping and Tin Shui Wai Stations. In addition, we are one of the consultants of KCRC in the development study consultancy for the Shatin to Central Link Property Development Proposal.

68000 Ampang, Selangor
Malaysia

Dear Dr Yeang,

West Kowloon Reclamation Concept Plan Competition

Subsequent to our letters dated 16 February 2012 and email message dated 20 February 2012 to LWK & Partners, which were copied to you, we have not heard further from you or LWK & Partners (HK) Ltd on the proposed disclosure to the public of the registration form and updated list of project team members submitted by you to the Organiser of the Competition in 2011.

The House Committee of the Legislative Council ("LegCo") of the Hong Kong Special Administrative Region has scheduled a meeting today to discuss "Issues relating to allegations of conflict of interests in the West Kowloon Reclamation Concept Plan Competition", and has requested the Government to provide information on the subject. The Government has fully considered the matter and decided to disclose to the House Committee information relevant to those allegations.

We enclose herewith the LegCo House Committee Paper and its annexes. One of the annexes is a redacted version of the registration form and updated list of project team members submitted by you to the Organiser of the Competition. We have taken into account the considerations of confidentiality as well as the public interest when addressing the scope of the disclosure to the House Committee.
