## INTERNAL CIRCULAR NO. (394)

### Competition for West Kowloon Reclamation

I have been appointed as a non-official member of the Technical Panel for the Competition for West Kowloon Reclamation.

Para 16 of the Competition Document clearly states that persons having employment-type relationship, or close professional association, or partnership with a member of the Technical Panel; and a company of which a member of the Technical Panel is a director, or major shareholder, are ineligible to enter the competition. For your reference, para 16 is reproduced below:-

#### *INELIGIBILITY*

16. *All those likely to be in conflict of interest are excluded from the Competition including but not necessarily limited to the following:*
- (i) Persons closely associated with the Competition and their immediate family members;*
  - (ii) Members of the Jury and the Technical Panel, and the Professional Advisor and their immediate family members;*
  - (iii) An employee, any person having an employment-type contract or at continuous and close professional association or partnership with a member in category (i) and (ii) above; or*
  - (iv) A company of which a member in category (i) and (ii) above is a director or major shareholder.*

The Government was put in a very embarrassing situation as the Director of Architectural Services is also a member of the Technical Panel and that rules out all the staff of the ASD from entering the competition, even in their personal capacity.

I hope you all understand the commitment that I have made in this case and will refrain from entering the competition in any way or form. If I am aware of anyone of our staff taking part in the competition, I will be duty bound to disclose it and that entry will probably be disqualified.
