Subject: Panel on Development

Hi,

Why doesn't develop Lantau Island as well as Shatin and Taiwai....etc. in the beginning?

Why doesn't move a rubbish landfill to Lantau Island as there is low population with a bigger place to fill?

香港人口不斷大量增加的是單雙非移民，只有趕走所有住港不足 7 年的單雙非移民和取消每天 150 大陸新移民才能解決香港的問題。

香港是需要農業土地，不能完全依賴中國大陸進口不安全食物；香港沒有自己種植農產品等同慢性自殺！

Kind Regards,
Shelly
