**Legislative Council Meeting of 17 October 2012**

Members have been informed that you will attend the Council meeting of 17 October 2012 to address the Council on your concept of governance, review progress made in the first three months of the Fourth Term Government, and outline your policy direction and work priorities in 2013. Given that these are very important subjects, Members have strongly requested that they should be able to put questions to you on your address at the meeting, and one hour should be set aside for such purpose.

On behalf of the House Committee, I write to convey Members' request to you and look forward to your favourable reply.

(Andrew LEUNG Kwun-yuen)
