Dear C Y,

Chief Executive's Question and Answer Session

At the House Committee meeting today, Members discussed Ms Emily LAU's proposal for inviting you to a Council meeting to explain the unauthorized building works at your residence on the Peak. Given the wide public concern about the matter and the significant public interest involved, Members have asked me to request that you attend a Question and Answer Session to explain the matter and address Members' questions thereon.

I look forward to your favourable reply.
