		<p>sign for the returning of the exhibits; and</p> <p>(d) information on applications for Places of Public Entertainment Licence for the display of art items.</p>	
<p>2. Creation of employment opportunities under the hawker policy</p>	<p>28 June 2011 (Joint meeting with the Panel on Manpower)</p>	<p>The Administration was requested to provide a response on its study of the vitalization of the exiting open-air bazaars in Aberdeen, Sai Kung, Tin Shui Wai and Tung Chung given members' disappointment that the proposal to establish open-air bazaars in various districts, which was raised years ago, had not yet been implemented for lack of suitable sites.</p> <p>In its letter dated 20 January 2012, the Food and Health Bureau ("FHB") stated that there has not been a study of the vitalization of the existing open-air bazaars as such undertaken by the Administration. FHB would keep the hawker licensing policy under review and the Administration welcomes proposals from local or community organizations on initiatives to revitalize the local economy, promote district</p>	<p>Further response from FHB awaited.</p>

		were requested to sign upon receipt of EGA ("the Document").	
7. Animal police	21 January 2013 (Policy briefing)	The Administration was requested to provide a written response on its consideration and decision on request for the setting up "animal police" teams to handle cases of animal cruelty.	Response from FHB awaited.
8. Regulation of private columbaria	21 January 2013 (Policy briefing)	The Administration was requested to provide a written response on enforcement actions against unauthorized private columbaria and assistance given to affected families to handle the displaced cremains.	Response from FHB awaited.
9. Regulation of the use of pesticides and control of pesticide residues in food	21 January 2013 (Policy briefing)	The Administration was requested to provide a written response on the cooperation with relevant Mainland authorities regarding the use of pesticides and the control of pesticide residues in food.	Response from FHB awaited.
10. Agricultural policy	21 January 2013 (Policy briefing)	The Administration was requested to provide a written response on its agricultural policy, including measures to encourage the development of local agriculture.	Response from FHB awaited.

<b>Subject</b>	<b>Date of meeting</b>	<b>Follow-up action required</b>	<b>Administration's response</b>
11. Genetically modified food	12 March 2013	The Administration was requested to provide information on the breakdown of genetically modified food available on the local market by types and sales volume.	Response from FHB awaited.
12. Food surveillance	12 March 2013	The Administration was requested to provide a written response on whether any follow-up actions have been taken by the Centre for Food Safety ("CFS") in response to the recent media reports on fluorescent pork; and the surveillance work carried out by CFS in response to the recent media reports on the problem of mislabelled fish in the United States and Europe in which cheaper types of fish were substituted for more expensive species.	Response from FHB awaited.
