Dear Mr Chan,

**Panel on Food Safety and Environmental Hygiene
Trap-Neuter-Release Trial Programme for Stray Dogs**

At the Panel meeting on 13 November 2012, the Administration was requested to provide an information paper on the current state of the captioned trial programme, particularly the response of stakeholders in different districts towards the trial programme.

Subsequent to some district consultations, further site searching is underway. It is considered more appropriate to report to the Panel in July 2013 in one go when the item is scheduled for discussion.

Yours sincerely,

(Vinci Chan)

for Secretary for Food and Health
