

Panel on Housing

Subcommittee on the Long Term Housing Strategy

**List of follow-up actions arising from the discussion
at the meeting on 30 May 2013**

At the meeting on 30 May 2013, the Administration was requested to provide the following for members' reference –

On issues relating to the subdivision of flat units

- (a) the report on the "Survey of Subdivided Units in Hong Kong" ("the Survey") conducted by Policy 21;
- (b) detailed information on the profile, characteristics and living conditions of tenants living in subdivided units enumerated in the Survey (e.g. age, gender, household size, education attainment, income level, length of time on the Waiting List for public rental housing, unit size, unit rentals, availability of essential facilities inside such units, etc.);

On Government's initiatives to increase housing land supply

- (c) information on the updated progress of the residential development projects (including the West Rail property development projects) undertaken by the MTR Corporation Limited, as well as the respective numbers of flats estimated to be provided by these projects; and
- (d) a paper to brief members on the current procedures for processing applications for lease modifications and land exchanges (with the respective lead times involved), as well as the updated progress of the review being conducted by the Lands Department to enhance the processing arrangements.
