Dear Chairman,

The Government has just completed the compilation of the Consultation Report on the Methods for Selecting the Chief Executive in 2017 and for Forming the Legislative Council in 2016 (Consultation Report) to facilitate the Chief Executive (CE) to make a report to the Standing Committee of the National People's Congress (NPCSC). This will formally kick-start the "five-step process" in Hong Kong's constitutional development. In line with our previous practice in according importance to the role of Members of the Legislative Council, I would like to take the earliest opportunity before the summer recess of the Legislative Council to brief Members on the Consultation Report and the Chief Executive's Report to the NPCSC.

As such, I would be most grateful for your kind assistance in arranging a two-hour session early next week for the aforementioned briefing.

Yours sincerely,

(Mrs Carrie Lam)
Chief Secretary for Administration
