

**交通事務委員會**

**在2014年3月25日會議上通過的  
有關"私人駕駛教師執照"的議案**

鑒於駕駛教師業界對現行新簽發私人駕駛教師執照機制出現意見分歧，未能達致共識，本會促請政府採取分期方式，彈性處理本年度新簽發事宜；同時，當局應全面檢視現行駕駛訓練政策，包括駕駛教師執照組別的釐定及數目，受限制駕駛教師的規定等，以便更迎合目前社會需要。

**Panel on Transport**

**Motion on "Private Driving Instructors' licences" passed  
at the meeting on 25 March 2014**

That, given that there is no consensus in the driving instructor trade on the current mechanism for issuing new Private Driving Instructors' licences due to divergent views on the issue, this Panel urges the Government to adopt a phased approach and flexibly handle matters relating to the issuance of new licences for this year. At the same time, in order to better meet current social needs, it is incumbent for the Government to comprehensively review the existing driving training policy, including the grouping and the number of driving instructor licences, and conditions imposed on Restricted Driving Instructors, etc.
