**Motion on  
“Concern about the integration and conflicts  
between Hong Kong and the Mainland”  
to be moved by Dr Hon LAM Tai-fai  
at the Council meeting of 28 May 2014**

**Wording of the Motion**

That, with the integration between Hong Kong and the Mainland getting closer and closer, some conflicts and disputes are inevitable in the process; regrettably, the Government is unable to put forward concrete and effective ways to resolve the fundamental issues; in this connection, this Council urges that when formulating policies and measures, the Administration must give consideration to the sentiments and feelings of the people in the two places, so as to avoid bringing more conflicts and confrontation and affecting the integration between the two places.
