to be moved by Hon POON Siu-ping  
at the Council meeting of 4 June 2014**

**Wording of the Motion**

That, as the number of work injury accidents and fatal industrial accidents in Hong Kong remains high, this Council urges the Government to establish a dedicated committee for comprehensively reviewing the policies on Hong Kong employees' occupational safety and health, including the protection coverage of occupational diseases and improvement of the protection for workers in high-risk occupations (i.e. insurance, compensation, therapy and rehabilitation).
