Section 2(1)—

“*private lot* (私人地段) means a piece or parcel of ground held under a Government lease and identified by a lot number as defined by regulation 2 of the Land Registration Regulations (Cap. 128 sub. leg. A);”

4. Sections 16B and 16C added

After section 16A—

Add**“16B. Prohibition of depositing of construction waste on private lot without valid permission**

- (1) This section applies in relation to the depositing of construction waste on a private lot except when—
 - (a) the total area on which construction waste has been deposited within the lot, regardless of who deposited the waste, does not exceed 20 m²; or
 - (b) the depositing forms part of any building works carried out on the lot that commenced in accordance with an enactment specified in Schedule 13.
- (2) In calculating the total area for subsection (1)(a), waste containing both construction waste and other waste is regarded as consisting entirely of construction waste.
- (3) Subject to subsection (5), a person who deposits, or causes to be deposited, construction waste on a private lot without the valid permission of the sole owner or all of the owners of the lot commits an offence.
- (4) For subsection (3), the permission is valid only if—

- (a) it is given in a form specified by the Director under section 16C(2)(a); and
 - (b) the form giving the permission bears an acknowledgement affixed by the Director in accordance with section 16C(3).
- (5) For a private lot owned by a sole owner, the reference to “a person” in subsection (3) does not include the owner.
- (6) Section 16A(2), (3), (4), (5) and (6) applies in relation to an offence under subsection (3) in the same way as it applies in relation to an offence under section 16A(1). For this purpose, the reference to “subsection (1)” in section 16A(2) and (3) is taken to be a reference to subsection (3).
