

**LEGISLATIVE COUNCIL
PANEL ON ENVIRONMENTAL AFFAIRS**

**Supplementary Information on
the Restored Landfill Revitalisation Funding Scheme**

The proposal of the Restored Landfill Revitalisation Funding Scheme (the Scheme) was discussed at the Legislative Council Panel on Environmental Affairs on 23 July 2014. At the meeting, Members asked the Administration to provide information on :

- (a) those organisations which have attended the briefing sessions on the Funding Scheme, and their track records and past experience in running recreational/sports facilities; and
- (b) those organisations which are currently running projects or facilities on restored landfills.

2. The information in respect of the above queries is appended below for Members' reference.

Organisations which have attended the briefing sessions and site visits on the Scheme

3. To expedite the development of suitable facilities at the restored landfills, the Chief Executive announced in the Policy Address 2014 on 15 January 2014 that the Government has earmarked \$1 billion to set up the Scheme to fund the development of recreational facilities or other innovative proposals at restored landfills so that the community can benefit from them at the earliest opportunity.

4. Since the announcement of the Scheme, the Administration has organised two briefing sessions (on 23 January 2014 and 20 February 2014) and three site visits (on 19 March 2014, 21 March 2014 and 24 March 2014) to brief interested stakeholders about the Scheme and seek their initial views. The organisations which have attended the briefing sessions

and/or site visits are listed out in **Annex 1**, together with a brief account of their experience in running recreational / sports facilities.

5. As shown in **Annex 1**, many of the organisations have experience in organising activities for public participation including competitions, tournaments, various social services and education programmes and a few have experience and track record in running recreational / sports facilities.

Organisations which are currently running projects or facilities on restored landfills

6. At present, there are five organisations which are running projects or facilities on restored landfills. These organisations, together with their operating projects / facilities, are highlighted in **Annex 2**.
