

Raffles Medical Group Hong Kong

Dear sir or madam,

Please find the written submission below for your reference. Our organisation would not be able to attend the meeting on the day.

"While demand for air travel in the regional is ever increasing, competition in the regional is heating up as well. Being a leading air hub, Hong Kong International Airport needs to continuously reinvent itself to stay ahead.

As a long term investor in Hong Kong and business partner with Airport authority, Raffles Medical Group (Hong Kong) have full confidence that the Airport Authority would taken well considered measures to balance the needs of all stakeholders and act in the best of Hong Kong to bring the project for the 3rd run way forward."

Yours sincerely,

Miss Wu Choy Siong  
General Manager  
RafflesMedical (Hong Kong)

Dr Clark Cheng  
Deputy General Manager
