

Panel on Food Safety and Environmental Hygiene

List of outstanding items for discussion
(Position as at 7 October 2013)

Subject	Proposed timing for discussion
1. Fire safety requirements on food premises	November 2013
Item proposed by the Administration.	
The Administration planned to brief the Panel on the new measures to secure compliance with fire safety requirements of food premises at the meeting on 9 July 2013. However, owing to insufficient time for discussion, members agreed to defer the discussion of the item to a future meeting and invite deputations to give views on the subject when it was discussed.	
The Administration proposes to brief the Panel on the subject matter in November 2013.	
2. Sustainable Fisheries Development Fund	November 2013
Item proposed by the Administration.	
At the meeting on 11 June 2013, members were briefed on Sustainable Fisheries Development Fund, including the feedback received from the Administration's consultation with stakeholders, and consulted on their initial ideas about the parameters of the Fund, including the scope of the projects that might benefit from it, who should be eligible to apply, and matters related to governance and administration.	
Thereafter, the Administration proceeded with engaging the trade and other stakeholders further, in finalizing the detailed proposals. The Administration plans to report these detailed proposals to this Panel, before making a submission to the Finance Committee in the 4 th quarter of 2013.

| 3. Reprovisioning of Sai Yee Street vehicle depot to Yen Ming Road | Q1 of 2014 |

Item proposed by the Administration.

The Administration proposes to brief the Panel on the proposed reprovisioning of the Food and Environmental Hygiene Department ("FEHD")'s Sai Yee Street Vehicle Depot to Yen Ming Road, West Kowloon Reclamation Area. Upon completion of the new vehicle depot, the existing Sai Yee Street Vehicle Depot will be demolished and the site returned to Lands Department.

| 4. Amendments to the Veterinary Surgeons Registration Ordinance (Cap. 529) - reporting on the outcome of consultation and briefing on the legislative proposals (for expanding the membership of the Veterinary Surgeons Board and streamlining its modus operandi) | Q2 of 2014 |
|--|------------|

Item proposed by the Administration.

The Administration briefed the Panel at its meeting on 13 November 2012 on a public consultation exercise being conducted to gauge public views on proposals to amend the Veterinary Surgeons Registration Ordinance (Cap. 529). The legislative amendment exercise sought to strengthen the membership of the Veterinary Surgeons Board of Hong Kong and streamline its modus operandi. The Administration advised that it would revert to the Panel on the outcome of the public consultation and would take into account all views received when finalizing the legislative proposals.

|----------------------------|------------|
| 5. Mosquito Control | Q2 of 2014 |
|----------------------------|------------|

Item proposed by the Administration.

Subject	Proposed timing for discussion
The Administration will brief the Panel in the 2 nd quarter of 2014 on FEHD's efforts in mosquito prevention and control.	
6. Rodent Control	Q2 of 2014
Item proposed by the Administration.	
The Administration will brief the Panel in the 2 nd quarter of 2014 on FEHD's efforts in rodent prevention and control.	
7. Public consultation on the proposed regulatory framework governing veterinary drug residues in food and food animals	To be confirmed
Item proposed by the Administration.	
The Administration is considering measures to strengthen control over veterinary drug residues in food and food animals in order to enhance food safety. It plans to launch a public consultation on the proposed regulatory framework in the first half of 2014.	
8. Liquor-licensing – Guidelines and procedures for assessing liquor licence applications	To be confirmed
At the meeting on 10 January 2012, the Administration briefed the Panel on the outcome of the public consultation on the review of liquor licensing and indicated that the Liquor Licensing Board ("LLB") might consider adopting more stringent criteria in assessing liquor licence applications from upstairs bars in order to address the public concern about public order, safety and nuisance. LLB might also consider drawing up a set of guidelines on the vetting of upstairs bar

applications. The Administration was requested to further discuss with the Panel the guidelines at a future meeting in which the public would be invited to give views on the subject.

On the instruction of the Panel Chairman, a special meeting was scheduled for 13 June 2013 to receive views from members of the public on the proposed Guidelines on Assessing Liquor Licence Applications. Pursuant to members' agreement at the meeting on 28 May 2013, the Administration was requested to also brief the Panel on the procedures for assessing liquor licence applications at the special meeting.

At the special meeting on 13 June 2013, at the request of the Panel Chairman, LLB Chairman said that LLB would inform the Panel on how LLB would follow up on the views received before promulgating the Guidelines.

9. The business environment of public market stalls, including rental adjustment mechanism and air-conditioning charges

To be confirmed

At the meeting on 8 January 2013, the Panel was consulted on the revised proposed public market stall rental mechanism and received views from deputations. The Panel passed a motion moved by Hon WONG Kwok-hing to set up a subcommittee under the Panel to follow up the issue of installation of air-conditioning systems in public markets.

At the meeting on 5 February 2013, members agreed to set up the Subcommittee on Issues Relating to Public Markets to study and review issues relating to the policy and business environment of public markets, assess the demand for public markets according to the district-based principle, examine the Administration's proposals for the rental adjustment mechanism and air-conditioning charging

arrangement for public market stalls and make timely recommendations. Members noted that the number of subcommittees on policy issues in operation had reached the maximum number of eight and the Subcommittee would be placed on the waiting list.

At members' request, the Administration updated the Panel on its plan to identify measures for improving the operating environment of public markets on 16 April 2013. The Administration was requested to provide another progress update at the regular meeting in July 2013.

At the meeting on 9 July 2013, the Administration advised the Panel that a consultant would be engaged to assist in developing proposals for improving the operating environment of public markets with a view to drawing more customers to public markets and enhancing customer satisfaction. The consultant was expected to submit the preliminary findings of the study in mid 2014. The Administration undertook to revert to the Panel on the outcome of the consultancy study.

10. Supply of live cattle in Hong Kong

To be confirmed

At the meeting on 28 May 2013, members urged the Government to expeditiously open up the market of imported live cattle, and draw up an implementation timetable as soon as possible. Members also agreed to receive views from deputations on the supply of live cattle in Hong Kong at a future meeting.

The Panel discussed with the Administration and received views from deputations on the supply of live cattle in Hong Kong at its meeting on 9 July 2013. Members were advised that the Administration was exploring with the Ministry of Commerce opening up the business of the live cattle agent to competition. The Administration undertook to report to the Panel as

<p>and when there were further developments on the matter.</p>	
11. Total diet study	To be confirmed
<p>The Administration proposed to brief the Panel on the Total Diet Study carried out by the Centre for Food Safety ("CFS") to analyze dietary data of the population of Hong Kong at the regular meeting in July 2013.</p> <p>At the meeting on 11 June 2013, members agreed that the discussion of the subject of total diet study be deferred to a future meeting, having regard to the number of items scheduled for discussion at the meeting in July 2013.</p>	
12. Progress report of the Trap-Neuter-Release trial scheme	To be confirmed
<p>At the meeting on 8 May 2012, members were briefed on the proposed "Trap-Neuter-Release ("TNR")" trial programme for stray dogs. The trial programme would study the effectiveness of TNR in reducing stray dog population within a designated area and its associated nuisance. The Administration planned to roll out the trial programme in end 2012/early 2013. The Administration was requested to report to the Panel the implementation progress of the trial programme in due course.</p>	
13. Proposed legislative proposals to amend the Liquor Licensing Scheme	To be confirmed
<p>Item proposed by the Administration.</p> <p>At the meeting on 10 January 2012, the Administration briefed the Panel on the outcome of the public consultation on the review of liquor</p>	

Subject	Proposed timing for discussion
licensing. Members were advised that a few recommendations from the public consultation exercise would require legislative amendments. The Administration proposes to brief the Panel on these legislative proposals.	
14. Proposed permanent food safety laboratory	To be confirmed
Item proposed by the Administration.	
The Administration plans to brief the Panel on a proposal to establish a permanent food safety laboratory under the Government Laboratory to further enhance the testing capacity on food safety related analysis.	
15. Study on wholesale markets	To be confirmed
Item proposed by the Administration.	
The Administration proposes to brief the Panel on the result of the consultancy study on the roles and functions of wholesale markets in Hong Kong as well as the location of five wholesale markets from the perspective of land use and food safety.	
16. Development of agriculture in Hong Kong	To be confirmed
At the meeting of Panel Chairman and Deputy Chairman with the Administration on work plan of the Panel for the 2012-2013 session on 22 October 2012, the Chairman requested the Administration to brief the Panel on its policy on the development of agriculture in Hong Kong at a future meeting.	
During the briefing by the Secretary for Food and Health on the Chief Executive's 2013 Policy Address on 21 January 2013, members expressed concern on	

Subject

**Proposed timing
for discussion**

the lack of a policy on the development of agriculture and dissatisfaction with the Administration's assistance available to the operators of organic farms. The Administration was requested to provide a written response on its agricultural policy, including measures to encourage the development of local agriculture.

The Panel received a letter dated 26 July 2013 from Dr Hon Fernando CHEUNG [LC Paper No. CB(2)1695/12-13(01)], a non-Panel member, raising his concerns about the Government's policy on the development of agriculture in Hong Kong. At the instruction of the Panel Chairman, the Administration was requested to provide a response to Dr Hon CHEUNG's views and concerns.

The Administration's responses to Dr Hon Fernando CHEUNG's letter and the Panel's request were circulated to members vide LC Paper Nos. CB(2)1695/12-13(02) and CB(2)1732/12-13(01) on 9 and 23 August 2013 respectively.

17. Recommendations of Team Clean's final report on measures to improve environmental hygiene in Hong Kong

To be confirmed

The Panel agreed at its meeting on 26 September 2003 to follow up the following measures recommended by Team Clean in its final report on measures to improve environmental hygiene in Hong Kong published in August 2003 -

- (a) introducing a demerit points system ("DPS") for tenants of public markets. Under the DPS, tenants who accumulate a certain number of points within a 12-month period will have their tenancy terminated. Tenants whose tenancies have been revoked would also be prevented from bidding for other stalls for one year;

Subject	Proposed timing for discussion
<ul style="list-style-type: none">(b) tightening the licensing requirements for food factories;(c) strengthening the sanction regime against licensed food premises, such as revamping the current DPS to make it more stringent, making licensees responsible for hygiene breaches committed by their staff and widely publicizing the business names and photographs of food premises convicted of an offence relating to the sale or preparation for sale of any food for human consumption; and(d) introducing an Open Categorization Scheme for licensed food premises to help consumers make informed choices. Under the Scheme, the hygiene conditions of all food premises will be graded according to set criteria and premises will be required to post the hygiene grading at a conspicuous location in their premises.	
18. Control measures against food businesses operating without licence	To be confirmed
<p>The above subject was discussed by the Panel on two occasions on 14 December 2004 and 8 March 2005. The Administration's proposed control measures against food businesses operating without licence were as follows -</p>	
<ul style="list-style-type: none">(a) upon detection of unlicensed food business conducted at any premises, staff of FEHD would take immediate enforcement action against the person/corporation in charge of the business at the time;(b) FEHD would stop processing the application for licence filed by that person/corporation in respect of the premises in (a) above; and(c) if FEHD proceeded with prosecution action and	

Subject

**Proposed timing
for discussion**

upon conviction, FEHD might refuse the application and impose a ban on the person/corporation convicted to obtain a licence for six months after taking into consideration all relevant factors, counting from the date of conviction; or where FEHD did not proceed with prosecution action or in the case of acquittal, the application process would be reactivated immediately.

Some members considered the proposed measures inadequate to deter the operation of food business without licence and suggested that the Director of Food and Environmental Hygiene should be empowered to make a closure order against unlicensed food establishments, without having to apply to the court. A member, however, pointed out that the measure in (c) above could easily be circumvented as the applicant could always appoint another person to apply for a fresh licence.

The Administration was requested to consider members' views and revert to the Panel.

19. Hygiene conditions of food premises operating under the food factory licences

To be confirmed

At the meeting between Members of LegCo and members of Wan Chai District Council ("WCDC") held on 5 May 2005, some WCDC members expressed concern about the lack of enforcement actions by FEHD against the unhygienic operation of food businesses selling takeaway food. The above concern was referred to the Panel for follow-up with the Administration.

Subject	Proposed timing for discussion
20. Review of the structure of the Food and Environmental Hygiene Department and the Agriculture, Fisheries and Conservation Department	To be confirmed

At its meeting on 17 October 2005, the Panel was briefed on the Administration's plan to re-organize FEHD and the Agriculture, Fisheries and Conservation Department ("AFCD") into the Agriculture, Environmental Hygiene and Conservation Department ("AEHCD") and the Food Safety, Inspection and Quarantine Department ("FSIQD") to enhance food safety and veterinary public health control in Hong Kong. CFS was also proposed to be set up within FSIQD. Members were generally supportive of the plan to establish a dedicated department to regulate all matters related to food safety and they would wish to see the new department set up as soon as possible.

When the Administration briefed the staff of AFCD and FEHD on its proposal, the majority of AFCD's nature conservation and country/marine parks staff expressed their preference for the direct transfer of their functions and staff to the Environmental Protection Department ("EPD"). As advised by the Administration, the then Secretary for the Environment, Transport and Works also supported the transfer. In the light of this, the Administration had subsequently revised its original proposal. Under the revised proposal, the new AEHCD would be responsible for promoting and facilitating the development of agriculture and fisheries activities in Hong Kong and maintaining environmental hygiene. The Country/Marine Parks and Conservation Branches of AFCD would be merged with EPD.

The Panel held four joint meetings with the Panel on Environmental Affairs on 29 November 2005, 15 December 2005, 6 and 17 January 2006 respectively to discuss the revised re-organization

Subject

**Proposed timing
for discussion**

proposal. The Panel also received views from the relevant trades, experts, academics and staff of the affected departments on 15 December 2005 and 6 January 2006.

Many staff associations in the affected departments expressed strong views against the Administration's proposal of re-organizing AFCD and FEHD, and transferring AFCD's nature conservation and country/marine park staff to EPD. Some members also expressed reservations that the regulatory and facilitation functions in respect of agriculture and fisheries activities should be carried out by two separate departments (i.e. AEHCD and FSIQD).

In view of the concerns expressed by members and staff associations, the Administration's paper subsequently presented to the Panel on 17 January 2006 a proposal to set up CFS under FEHD as the first step to enhance food safety control. The proposals in relation to the separation of regulatory and promotion functions for agriculture and fisheries industries and the transfer of country/marine park functions to EPD were withheld, pending further consultation with stakeholders. The Panel supported the speedy establishment of CFS under FEHD.

When the Panel discussed with the Administration on the work of CFS on 10 July 2007, the Administration advised that it would review the structure of FEHD and AFCD after the enactment of the new Food Safety Bill. The Food Safety Bill was enacted in March 2011.

21. Fees and charges review of the Agriculture, Fisheries and Conservation Department

To be confirmed

At the request of the Subcommittee on Public Health (Animals and Birds) (Exhibitions) (Amendment) Regulation 2006, the Administration agreed to review

Subject	Proposed timing for discussion
the fees for application for an exhibition licence for animals and birds and licence renewal fees in the context of the general review of Government's fees and charges, and report the outcome to the Panel in due course.	
22. Regulating and monitoring the activities of oyster culture in Hong Kong	To be confirmed
At the meeting on 9 February 2010, in the light of the concerns raised by Hon WONG Yung-kan, the Chairman suggested that the issue of regulating and monitoring the activities of oyster culture within Hong Kong waters should be discussed by the Panel at a future meeting.	
During the discussion of the implementation of the Food Safety Ordinance (Cap. 612) at the meeting on 11 July 2012, Hon WONG Yung-kan expressed worry about the over-expansion of oyster culture in Shenzhen Bay and the crimes arisen in the area. He urged the Administration to step up the regulatory measures for oyster culture, including the introduction of a licensing mechanism.
