14. Amendments to the Public Health (Animals and Birds) (Animal Traders) Regulations for better regulating pet trading

April to July
2014

At the meeting held on 13 November 2012, the Panel received deputations' view on the public consultation exercise on the proposed measures to better regulate pet trading in the interest of enhancing animal health and welfare. Members expressed grave concern that the proposed One-off permit might create a loophole for home breeders to abuse the licensing arrangement. They urged the Administration to impose additional and more stringent licensing conditions for the breeding of dogs for sale. They also called on the Administration to extend the scope of licensing to cover cats and other pet animals.

The Panel was briefed on the outcome of the public consultation at its meeting on 16 April 2013. The Panel passed a motion at the meeting urging Agriculture, Fisheries and Conservation Department ("AFCD") to issue under its proposed licensing requirements a single animal breeder licence only and which applied to all commercial and private animal breeders and traders, so as to further protect the welfare of animals in Hong Kong.
