2. Indecent Assault in MTR Train Compartments (Paragraph 41 of the Minutes)

In response to Dr Elizabeth QUAT's suggestion that the Police should ask MTRC to install CCTVs in more train compartments and to reserve certain compartments for woman passengers only, we had referred her proposal to MTRC. The Police were informed that MTRC had been considering installing CCTVs in new train compartments. MTRC had no immediate plan for designated female train compartments but they had been constantly looking into various measures with a view to preventing crime and ensuring passenger safety.
