He opined that a compensation mechanism should be put in place to better protect the interests of MTR passengers.</p> <p>The Administration has been requested to provide an information paper on this subject matter for members' reference.</p>	To be confirmed
<p>4. Enhancement of the current facilities in MTR stations</p> <p>Proposed by Mr Christopher CHUNG at the Subcommittee meeting held on 25 October 2013 and in his letter [LC Paper</p>	To be confirmed

Items

Proposed timing for discussion

No. CB(1)311/13-14(01)]. He suggested that MTRCL should enhance the current facilities in MTR stations. At the Subcommittee meeting on 22 November 2013, Mr TANG Ka-piu supplemented that barrier-free access and facilities in MTR stations should also be enhanced.

Others

5. Light Rail network

To be confirmed

Proposed by Mr Michael TIEN at the Subcommittee meeting held on 30 November 2012. He considered that the carrying capacity of Light Rail had been saturated and further increase in train fleet might adversely affect the road traffic condition of the districts concerned. He suggested that the Administration should conduct a comprehensive review on the operation and development of Light Rail network.

6. Railway development

4 July 2014

Proposed by Messrs WONG Kwok-hing and Christopher CHUNG at the Subcommittee meeting held on 25 October 2013. They requested the Administration to update the Subcommittee the progress of the 7 local enhancement schemes as set out in the Administration's Stage 2 Public Engagement Exercise of the review and update of Railway Development Strategy 2000. The Administration plans to brief members on the latest status of railway development.
