LegCo Panel on Environmental Affairs visits Pillar Point Sewage Treatment Works (with photos)

\*\*\*\*\*

The Legislative Council ("LegCo") Panel on Environmental Affairs conducted a visit to the Pillar Point Sewage Treatment Works ("STW") in Tuen Mun today (8 September) to observe the follow-up actions taken to deal with the sewage pollution caused by facility malfunctioning in STW.

Members first received a briefing on the operation of STW by representatives of the Drainage Services Department and learnt about the latest progress of the actions taken to deal with the facility malfunctioning. Members then observed the treatment facilities of STW.

Members who participated in the visit included Hon Cyd HO Sau-lan, Chairman of the Panel, and Hon CHAN Han-pan, Panel member, as well as Hon WONG Kwok-hing and Hon Michael TIEN Puk-sun, who are non-Panel members.

Ends/Monday, 8 September 2014
