

Human Reproductive Technology (Amendment) Bill

Committee Stage

Amendment to be moved by Chan Chi Chuen

Clause

Amendment Proposed

3

After the proposed section (3B), by adding —

“(3C). A person does not cause to be published or distributed, or knowingly publish or distribute, an advertisement to promote sex selection services, if the person does not determine the content.

(3D). For the purposes of subsection (3C), a person does not determine the content of an advertisement only because the person takes one or more steps for the purpose of—
(a) gaining access to what is made available by someone else; or
(b) receiving the electronic transmission of which the advertisement to promote sex selection services consists.”.
