

LEGISLATIVE COUNCIL BRIEF

ELECTORAL LEGISLATION (MISCELLANEOUS AMENDMENTS) BILL 2015

INTRODUCTION

 A At the meeting of the Executive Council on 14 April 2015, the Council **ADVISED** and the Chief Executive **ORDERED** that the Electoral Legislation (Miscellaneous Amendments) Bill 2015 (“the Bill”), at **Annex A**, should be introduced into the Legislative Council (“LegCo”).

2. The Bill makes technical amendments concerning the electorate of the functional constituencies (“FCs”), the name of an FC, counting procedures and textual errors for the 2016 LegCo election.

JUSTIFICATIONS

3. From 4 December 2013 to 3 May 2014, the Government conducted the Public Consultation on the Methods for Selecting the Chief Executive in 2017 and for Forming the LegCo in 2016 (“Public Consultation”). Among the views received, there are more views which consider that efforts should be focused on the proper handling of universal suffrage for the Chief Executive election in 2017; there could be no change to the method for forming the LegCo in 2016; and after the implementation of universal suffrage for the Chief Executive election in 2017, the community may focus on discussing how to attain the ultimate aim of electing all Members of the LegCo by universal suffrage as stipulated in Article 68 of the Basic Law.

4. On 31 August 2014, the Standing Committee of the National People’s Congress adopted the Decision of the Standing Committee of the National People’s Congress on Issues Relating to the Selection of the Chief Executive of the Hong Kong Special Administrative Region by Universal Suffrage and on the Method for Forming the Legislative Council of the Hong Kong Special Administrative Region in the Year 2016 (“the Decision”). According to the Decision, the existing formation method for the LegCo as prescribed in Annex II to the Basic Law will not be amended; and the formation method of the fifth term

LegCo will continue to apply to the sixth term LegCo in 2016. In other words, the sixth term LegCo in 2016 should continue to consist of 70 members: 35 to be returned by FCs and 35 by geographical constituencies (“GCs”).

Technical amendments for FCs

Updating the electorate

5. In keeping with the established practice, and in consultation with relevant bureaux/departments, we have reviewed the delineation of the electorate of all the FCs under the Legislative Council Ordinance (Cap. 542) (“LCO”). On the basis of the review, we **propose** to make necessary technical amendments as set out at **Annex B**, whilst maintaining the existing delineation of the FCs concerned intact. The proposed amendments can be classified into the following categories –

B

- (a) to update the names of the bodies¹ which have had their names changed since the last updating exercise²;
- (b) to remove bodies which have ceased operation since the last updating exercise;
- (c) to improve the formulation of the definition of some electors; and
- (d) to add new electors to update the prevailing situation of the FCs concerned.

6. We consulted the LegCo Panel on Constitutional Affairs on 16 March 2015 regarding the proposed technical amendments, and the Panel did not raise objection to our proposals. After the meeting on 16 March 2015, we received a request from the Hong Kong Recording Industry Alliance Limited to include its members entitled to vote at its general meetings in the sports, performing arts, culture and publication FC. Having consulted the relevant bureau/department, we have included the proposed technical amendments in **Annex B**.

¹ “Bodies” in this paper refer to (a) “umbrella organisations”, i.e., bodies for which their members (which may be natural persons, unincorporated or incorporated bodies) are electors; and/or (b) “listed bodies”, i.e., bodies which are electors.

² The last updating exercise was done in 2012 before the 2012 LegCo election.

Change in nomenclature of the architectural, surveying and planning FC

7. A Member raised at the meeting of the LegCo Panel on Constitutional Affairs on 16 March 2015 to also include in the name of the architectural, surveying and planning FC the landscape sector, so that the name of the FC should become the architectural, surveying, planning and landscape FC. The Member argued that it is a technical amendment to better reflect the existing composition of the FC (i.e., architects, surveyors, planners and landscape architects) without affecting the composition or the electorate of the FC. We **propose** that the request be acceded to, as it is a simple technical amendment without affecting the existing definition of the concerned FC's electorate.

8. For our proposals in paragraphs 5 to 7 above, we **propose** that corresponding amendments should also be made to the Schedule to the Chief Executive Election Ordinance (Cap. 569) ("CEEEO") to reflect the corresponding changes to the name and electorate of, and the registration of voters for, the relevant Election Committee subsectors.

Other technical amendments (relating to counting procedures and textual errors)

9. In the light of the experience gained from previous elections, we **propose** to take the opportunity to make other technical amendments in the following respects –

- (a) counting procedures for the District Council (second) FC election: the provision detailing the counting steps at the central counting station under the Electoral Affairs Commission (Electoral Procedure) (Legislative Council) Regulation (Cap. 541D) currently requires counting the number of District Council (second) FC ballot papers from each polling station and verification of the ballot paper account to take place before counting of votes. To remove possible procedural ambiguities and better align with the policy objectives to speed up the counting process and to protect secrecy of votes, we **propose** making amendments to make clear that –
 - (i) verification of the ballot paper account of a polling station (other than a small polling station ("SPS")³ or a dedicated

³ A small polling station is a polling station at which less than 500 electors are allocated to vote in a LegCo election.

polling station (“DPS”)⁴) will be done after the counting of votes; and

- (ii) for an SPS or a DPS, counting of the number of ballot papers and verification of the ballot paper account of that station will be done first. Such ballot papers will then be mixed with the ballot papers from a bigger polling station before counting of the votes. After completion of counting of votes, verification of the ballot paper account of that bigger polling station will be done.

The proposed procedures are similar to those in respect of main counting stations in a GC election, which have been implemented with LegCo’s passage of the Electoral Legislation (Miscellaneous Amendments) Ordinance 2014 in July 2014; and

- (b) rectification of textual error: in the Chinese text of section 74AA(h) of Cap. 541D, “大點票站” instead of “點票站” should be adopted for “main counting stations”.

10. The Members did not raise any objection to the above proposed technical amendments at the meeting of the LegCo Panel on Constitutional Affairs on 16 March 2015. Besides, we now **propose** to rectify one more textual error in the Chinese text of section 20E(b)(xi) of the LCO where “嶺南大學校董會成員” instead of “嶺南大學校董會” should be adopted for “members of the Council of Lingnan University”.

THE BILL

11. The main provisions are summarised below –

- (a) **Part 1** sets out the short title of the Bill;
- (b) **Part 2** amends the LCO to update the electorate of certain FCs and the name of an FC;
- (c) **Part 3** amends the Schedule to the CEEO to update the list of constituents of the higher education subsector and the name of the architectural, surveying and planning subsector and introduce a technical amendment concerning the registration of

⁴ A dedicated polling station is a polling station which is set up to cater for casting of votes by electors imprisoned, remanded or detained by law enforcement agencies.

voters for the sports, performing arts, culture and publication subsector; and

- (d) **Part 4** amends the Electoral Affairs Commission (Electoral Procedure) (Legislative Council) Regulation to streamline the counting procedures for the District Council (second) FC at the central counting station and to make a textual amendment.

C The existing provisions being amended are at **Annex C**.

LEGISLATIVE TIMETABLE

12. The legislative timetable is as follows –

Publication in the Gazette	17 April 2015
First reading and commencement of Second Reading debate	22 April 2015
Resumption of Second Reading debate, Committee Stage and Third Reading	To be notified

IMPLICATIONS OF THE PROPOSAL

13. The legislative proposal is in conformity with the Basic Law, including the provisions concerning human rights. The proposed amendments will not affect the current binding effect of the Ordinances and subsidiary legislation which the Bill seeks to amend. The proposal has no financial, civil service, economic, productivity, environmental, sustainability or family implications.

PUBLIC CONSULTATION

14. The Government conducted the Public Consultation from December 2013 to May 2014. We consulted the LegCo Panel on Constitutional Affairs on our proposed legislative amendments on 16 March 2015, and the Panel did not raise objection to our proposals. At the meeting, individual Members called for abolition of some, if not all, of the FCs; or a large-scale expansion of the electorate of the FCs. In response to these comments, the Government explained that abolition of the FCs for the 2016 LegCo election was inconsistent with the Decision; there was no clear consensus in the community on making major amendments to the electorate of the FCs for the 2016 LegCo

election; and relatively substantial amendments had been made to the method for forming the LegCo in 2012, which greatly enhanced the democratic elements of the LegCo election. Hence, having regard to the actual situation in the Hong Kong Special Administrative Region, the Government only introduces technical amendments at this stage.

15. Besides, a Member raised that whether the legislation should be amended for the four special FCs which adopted the preferential elimination system of voting. The Member considered that in case there were only two candidates, and if an elector erroneously used a tick chop instead of marking his/her preference by entering Arabic numerals on the ballot paper as required by the law, the ballot paper concerned should not be regarded as invalid since the choice of the elector was obvious. We have thoroughly considered this comment, and are of the view that designing a separate system specifically for the two-candidate situation in the elections of these FCs will cause more confusion. The Government considers that strengthening the education of the electors in these special FCs about the correct voting method instead of amending the relevant legislation is more appropriate, and will follow up on this matter.

PUBLICITY

16. A press release will be issued and a spokesperson will be made available to address media enquiries, if any.

ENQUIRY

17. Any enquiry on this brief can be addressed to Miss Helen Chung, Principal Assistant Secretary for Constitutional and Mainland Affairs, at 2810 2908.
