2015年1月21日的立法會會議
石禮謙議員就
“關注審批基建項目撥款申請進度緩慢的問題”
動議的議案

議案措辭

自2013-2014立法年度開始，立法會通過基建項目撥款申請進度緩慢；若情況不能在短期內逆轉，勢必令基建工程延誤，繼而推高工程成本及影響建造業和相關行業從業員的生計及行業的持續性，最終窒礙香港經濟的長遠發展；就此，本會促請政府當局正視有關問題，積極與本會共同尋求解決方案，以加快通過積壓及新的基建項目的撥款申請。

Motion on
“Concerning about the problem of slow progress in vetting and approving
funding applications for infrastructure projects”
to be moved by Hon Abraham SHEK
at the Council meeting of 21 January 2015

Wording of the Motion

That, since the start of the 2013-2014 legislative session, the Legislative Council has been slow in approving funding applications for infrastructure projects; if the situation cannot be reversed in the near future, infrastructure works will definitely be delayed, thereby pushing up works costs and affecting the livelihood of practitioners of the construction industry and relevant industries as well as the industries' sustainability, and eventually hindering Hong Kong's long-term economic development; in this connection, this Council urges the Administration to face up to the problems concerned, and proactively join hands with this Council to seek solutions, so as to expedite the approval of outstanding and new funding applications for infrastructure projects.
