Establishment Subcommittee

Motion passed at the meeting on 28 January 2015

Hon Cyd HO Sau-lan moved a motion under paragraph 31A of the Establishment Subcommittee Procedure to express a view on agenda item EC(2014-15)14. The terms of the motion are as follows-

"That, as one duty of Principal Assistant Secretary (Narcotics)² is to take forward the second-stage public consultation on the RESCUE Drug Testing Scheme ("RDT") but compulsory drug testing will only bring forth more hidden drug abuse cases and give the Police unwarranted and excessive powers, thus causing power abuses easily and infringing on individual rights and liberties, this Subcommittee urges the Administration to withdraw the proposal of compulsory drug testing under RDT."

Voting result (without division): passed
