Dear Sir / Madam,

As one of the long-standing members of the Hong Kong International Airport community, we would like to affirm our support to the construction of the third runway.

Hong Kong is proud of its superb connectivity with the rest of the world thus we believe the third runway is the only viable option for our airport to keep pace with future growth and to ensure the long-term competitiveness of Hong Kong as premier aviation hub.

We are encouraged by the Government's commitment to this essential infrastructure project which is of critical importance to the sustainability of the Hong Kong economy and the prosperity and well-being of Hong Kong's people. We are glad to see the development plan of the third runway is excelling smoothly.

Yours sincerely,
