

Panel on Economic Development

**List of follow-up actions arising from the discussions
at the Panel meeting on 27 May 2015**

At the Panel meeting on 27 May 2015, the Administration was requested to provide the following information –

- (a) whether the Administration would consider setting out the framework for introducing competition to the electricity market, including the allocation of land for the establishment of power plant(s), in order to attract new players; and
- (b) a detailed analysis on the pros and cons of introducing competition to overseas electricity markets, and the lessons drawn from their experiences.
