11. Provision of transitional housing

To be confirmed

Raised by members at the Panel meeting on 10 October 2013. Members would like to discuss the suggestion that the Administration should consider constructing transitional housing in the urban area for public housing applicants and those in need.

12. Progress report on the phasing out programme of Housing for Senior Citizens and public housing for the elderly

At the work plan meeting held on 27 November 2014, the Administration was requested to provide a paper on the latest development of this item.

The vacancy rate of Housing for Senior Citizens Type 1 ("HS1") design has been high since late 1990s in view of the increasing applicants' preference for self-contained public housing units. A phasing-out programme to convert some vacant HS1 units into normal public housing flats has been implemented since 2006, and subsequently been extended to all HS1 units in March 2011. The Administration has reported the progress of the programme to the Hong Kong Housing Authority in March 2012 and a review was conducted in February 2013.

A related submission on public housing for the elderly from the Society for Community Organization and a referral from Duty Roster Members were circulated vide LC Paper Nos. CB(1)1867/08-09(03) and CB(1)709/09-10(01) respectively.
