8. Progress report on the phasing out programme of Housing for Senior Citizens and public housing for the elderly

The vacancy rate of Housing for Senior Citizens Type 1 ("HS1") design has been high since late 1990s in view of the increasing applicants' preference for self-contained public housing units. The Administration has reported the progress of the programme to the Hong Kong Housing Authority in March 2012 and a review was conducted in February 2013.

At the work plan meeting held on 27 November 2014, the Administration was requested to provide a paper on the latest development of this item.

A related submission on public housing for the elderly from the Society for Community Organization and a referral from Duty Roster Members were circulated vide LC Paper Nos. CB(1)1867/08-09(03) and CB(1)709/09-10(01) respectively.
