

Panel on Security

List of outstanding items for discussion

(position as at 27 November 2014)

**Proposed timing
for discussion**

- 1. Establishment of a declaration and disclosure system for the physical cross-boundary transportation of currency and bearer negotiable instruments**

1st Quarter of
2015

The Administration intends to brief the Panel on the details of establishing a declaration and disclosure system for the physical cross-boundary transportation of currency and bearer negotiable instruments, pursuant to the relevant international standards on anti-money laundering and counter financing of terrorism set by the Financial Action Task Force.

- 2. Co-location arrangement at the control point for the Guangzhou-Shenzhen-Hong Kong Express Rail Link ("XRL")**

To be advised by
THB

Item proposed by Hon Dennis KWOK, whose letter on the subject had been circulated to members vide LC Paper No. CB(2)707/12-13 on 27 February 2013. At the meeting on 1 March 2013, members agreed that the subject be discussed at a future meeting. Members also agreed that members of the Panel on Administration of Justice and Legal Services and representatives from the Department of Justice would be invited to attend when the subject was discussed.

The Administration advised that co-location arrangement at the control point concerned was part and parcel of the XRL project spearheaded by the Transport and Housing Bureau (THB), which would provide information to the Panel on Transport on the co-location arrangement of immigration and customs facilities at the control point as part and parcel of the XRL project in due course.

**Proposed timing
for discussion**
