### **Fugitive Offenders (Czech Republic) Order (Commencement) Notice Mutual Legal Assistance in Criminal Matters (Czech Republic) Order (Commencement) Notice**

## INTRODUCTION

Under section 1 of the Fugitive Offenders (Czech Republic) Order (Cap. 503AI) (“the Czech FO Order”) and section 1 of the Mutual Legal Assistance in Criminal Matters (Czech Republic) Order (Cap. 525AF) (“the Czech MLA Order”), the Secretary for Security today (23 January 2015) **appointed** 13 February 2015 as the day on which the two Orders will come into operation, by publishing in the Gazette the Fugitive Offenders (Czech Republic) Order (Commencement) Notice (at **Annex A**) and the Mutual Legal Assistance in Criminal Matters (Czech Republic) Order (Commencement) Notice (at **Annex B**).

## JUSTIFICATIONS

2. The Czech FO Order and the Czech MLA Order seek to implement the bilateral agreements between the Hong Kong Special Administration Region (“HKSAR”) and the Czech Republic on surrender of fugitive offenders and mutual legal assistance in criminal matters signed in March 2013. The two Orders were subsequently approved by the Legislative Council in January and March 2014 respectively, but have not yet been brought into operation, pending the two bilateral agreements being brought into force, which has to wait until the two contracting parties notify each other that their domestic requirements for bringing the agreements into force have been complied with. Recently, we have received such a notification from the Czech Republic, and have notified the Czech Republic to the same effect. The agreements and Orders are therefore ready for operation.

## **THE LISTS OF OFFENCES EXCHANGED**

3. Article 3(2) of the bilateral agreement on surrender of fugitive offenders provides that each contracting party will provide to the other a list of the offences for which surrender may be granted under its law. When the Czech FO Order was examined by the relevant LegCo Subcommittee, the Administration undertook to publicize the lists to be so exchanged. The HKSAR and the Czech Republic have subsequently provided to each other their lists. The list provided by the HKSAR is the same as the Schedule 1 to the Fugitive Offenders Ordinance (Cap. 503) which sets out the offences for which surrender may be granted under the HKSAR's law. The exchanged lists are at **Annexes C and D**. The two lists will also be published in the Gazette today and uploaded to the website of the Department of Justice (<http://www.doj.gov.hk/eng/laws/table4ti.html>) today.
