

**Bills Committee on  
Patents (Amendment) Bill 2015**

**List of follow-up actions arising from the discussion  
at the meeting on 1 December 2015**

The Administration was requested to provide background statistical information on patent applications, including the proportion of local applications, made in some smaller economic entities (e.g. Singapore, Malaysia, New Zealand and Israel) which had implemented the "original grant" patent system to shed light on the development of innovation and technology in the relevant economies.
