

**Bills Committee on Eastern Harbour Crossing Legislation
(Amendment) Bill 2015**

**List of follow-up action arising from the discussion
at the meeting on 12 January 2016**

It is noted that the Eastern Harbour Crossing Legislation (Amendment) Bill 2015 ("the Bill") proposes, among other things, to incorporate the existing tolls chargeable under the Eastern Harbour Crossing Ordinance (Cap. 215) into the Road Tunnels (Government) Regulations (Cap. 368A). As such, the Administration was requested by the Bills Committee at its meeting on 12 January 2016 to provide a preliminary view and the relevant considerations in respect of any amendments proposing to adjust the said tolls under the Bill in the light of Rule 57(4) and (6) of the Rules of Procedure of the Legislative Council.
