CHIEF SECRETARY
FOR ADMINISTRATION'S OFFICE
Government of the Hong Kong
Special Administrative Region
of the People's Republic of China

31 May 2016

The Hon Andrew Leung Kwan-yuen, GBS, JP
Chairman
Legislative Council House Committee
Legislative Council
Legislative Council Complex
1 Legislative Council Road
Central, Hong Kong

Dear Andrew,

The Chief Executive received on 11 May 2016 the report submitted by the Commission of Inquiry into Excess Lead Found in Drinking Water. I attach the report in redacted form as published by the Government today for your reference. Together with relevant Government officials, I will hold a press conference this afternoon regarding the report.

At the special House Committee meetings on 1 September and 8 October 2015, I and relevant officials briefed Members on the latest situation of the lead in drinking water incidents. In the light of the publication of the report, we stand ready to attend another House Committee meeting and brief Members on our follow-up actions and other related issues before the prorogation of the fifth Legislative Council.

You may wish to invite the Secretary General of the Legislative Council Secretariat to follow up with the Director of Administration on the arrangement of the special House Committee meeting.

Yours sincerely,

A handwritten signature in cursive script, appearing to read 'Carrie Lam'.

(Mrs Carrie Lam)
Chief Secretary for Administration

c.c. Secretary for Development
Secretary for Transport and Housing
Secretary for Food and Health
Director of Administration
