

Panel on Environmental Affairs

Follow-up actions arising from the meeting on 30 March 2016

**Agenda item IV — Work plan of the review of Air Quality Objectives
("AQOs")**

- (a) The Administration to provide information on the membership of Working Group once finalized.
- (b) Regarding a member's concern about the air pollution problem in Tung Chung, especially during summer time, the Administration to provide information on:
 - (i) analysis of the hourly/annual average concentrations of air pollutants in Tung Chung as recorded by the Tung Chung Air Quality Monitoring Station, including the major sources of the pollutants, the average and maximum exceedance of each type of pollutants based on the prevailing Air Quality Health Index and/or AQOs; and
 - (ii) in the light of the analysis in (i) above, an assessment of whether and how the existing measures to reduce air pollution in Tung Chung are appropriate.
