discussion**

species, marine ecology and the fisheries industry", members wish to follow up the cumulative impacts of the planned marine works projects in the western waters of Hong Kong (as mentioned in LC Paper No. CB(1)2004/13-14(01)) on marine ecology as well as the progress of respective mitigation measures and restoration works.

Dr Kenneth CHAN wrote to the Panel Chairman on 10 February 2015 (LC Paper No. CB(1)540/14-15(01)) proposing discussion on the impacts of large-scale infrastructure projects and sea transport on marine ecology.

As it was reported by the media that a contractor of the construction works of the Hong Kong-Zhuhai-Macao Bridge ("HKZMB") project had illegally discharged polluting effluent directly into the sea, causing adverse impacts on the habitat of Chinese white dolphins, at the meeting of 15 October 2015, Mr Albert CHAN requested the Administration to give a full account of the incident and update Panel members on the impacts of the marine works projects, including the HKZMB project and the Three-Runway System project at the Hong Kong International Airport, on marine ecology.

5. Management of marine fill and marine disposal of dredged/excavated sediment To be confirmed

The Administration will brief the Panel on the management of marine fill and disposal of dredged/excavated sediments by the project owners.

The subject was raised by Mr Steven HO at the meeting on 15 December 2014.

6. Review of the Environmental Impact Assessment Ordinance (Cap. 499) To be confirmed

Mr Kenneth LEUNG wrote to the Panel Chairman on 24 November 2015 (LC Paper No. CB(1)202/15-16(01) issued on 26 November 2015) proposing discussion on the captioned subject. The Administration's response was circulated vide LC Paper No. CB(1)537/15-16(01) issued on 3 February 2016.

discussion**

7. Environmental impacts on Hong Kong arising from disposal of chemicals into Dasha River

To be confirmed

Mr Steven HO Chun-yin wrote to the Panel Chairman on 5 February 2016 (LC Paper No. CB(1)551/15-16(01) issued on 5 February 2016) proposing discussion on the captioned subject. The Administration's written response (LC Paper No. CB(1)589/15-16(01)) was tabled at the meeting on 22 February 2016 and issued to members on 23 February 2016. At the said meeting, the Panel agreed to request the Administration to provide, when appropriate, a further written response on the progress of relevant follow-up measures arising from the incident, while including the item on the list of outstanding items for discussion. The Administration's further written response was circulated vide LC Paper No. CB(1)805/15-16(01) issued on 18 April 2016.

8. Deteriorating water quality of the Shing Mun River and Tolo Harbour

To be confirmed

Mr Steven HO Chun-yin wrote to the Panel Chairman on 30 March 2016 (LC Paper No. CB(1)735/15-16(02) issued on 31 March 2016) proposing discussion on the captioned subject.

9. Issues relating to fly-tipping and illegal land filling in Hong Kong

To be confirmed

Arising from the soil fill incident near Kingswood Villas in Tin Shui Wai, and raised by members at the meeting on 25 April 2016, members would like to receive public views on the captioned subject.
