

Panel on Health Services

List of follow-up actions

(Position as at 15 January 2016)

Subject	Date of meeting	Follow-up action required	Administration's response
1. Pilot project on enhancing radiological investigation services through collaboration with the private sector ("Radi Collaboration")	12 December 2011	The Administration was requested to provide data on the average waiting time of cancer patients for radiological investigation services before and six months after implementation of the pilot project.	The Administration and the Hospital Authority ("HA") are considering the scope of public-private partnership programmes to be covered by the \$10 billion endowment fund, which includes the Radi Collaboration programme. The Administration will provide a response in due course.
2. Proposed \$10 billion endowment fund to HA for public-private partnership initiatives	16 November 2015	<p>The Administration/HA was requested to provide information on -</p> <p>(a) in respect of the Pilot Project on Enhancing Radiological Investigation Services through Collaboration with the Private Sector, (i) the respective average cost incurred by HA and under the Pilot Project for providing the services; and (ii) the average additional waiting time required of patients for HA's service without the introduction of the Pilot Project; and</p> <p>(b) the target number of patient participants for the General</p>	The Administration will provide a response in due course.

Subject	Date of meeting	Follow-up action required	Administration's response
		Outpatient Clinic Public-Private Partnership Programme, which would be extended to 18 districts in phases, to explain how the extended Programme could help shortening the waiting time for HA's general outpatient services.	
3. Patient Safety management in HA	21 December 2015	The Administration/HA was requested to provide information on the timeframe for the provision of 24-hour emergency percutaneous coronary intervention service in all hospital clusters.	The Administration will provide a response in due course.
