To whom it may concern,

Subject: Provision of venues in districts for ethnic minorities to conduct religious and cultural activities

We would like to emphasize on the following points:

Religious' Activities:

1. Religious sentiments (more will be mentioned during the meeting) shall be protected for all religious groups in Hong Kong.
2. Venues limitation has hindered or disturbed most of the religious activities of religious groups
3. Less information is known to religious groups how to apply or find venues for religious or cultural activities

Cultural activities:

1. Lack of space-(restrictions) to enjoy cricket activities
2. Festivals, weddings & other activities often happen in small scale due to space issues or expensive accommodation.
3. Provide more open spaces such as parks or venues for cultural activities
