

Bills Committee on Waterworks (Amendment) Bill 2017

**List of follow-up actions arising from the discussion
at the meeting on 7 November 2017**

The Administration was requested to provide the following information –

- (a) given the Administration's advice that guidelines would be produced to make clear the persons who were allowed to carry out specified plumbing works under instruction and supervision and the steps required to be taken by these persons to ascertain their instructing supervisors' qualifications, a copy of the guidelines/the draft of the guidelines;
- (b) as regards the persons who were allowed to provide instruction and supervision for other persons in carrying out plumbing works under the Bill, the requirements/criteria that had to be fulfilled by them for seeking/renewing licences/registrations, and whether and how such requirements/criteria would ensure that these persons had updated knowledge in the aspects of drinking water safety and relevant legislations; and
- (c) the content of the voluntary continuing professional development programmes/courses provided for registered plumbing workers.
