

My Speech (please hand in to Mrs Cadman by 8.30am on Thursday 24th August)

Banning Ivory Trade

The elephant has been walking the Earth for 55,000,000 years. Ivory trade can bring these innocent creatures down if humans continue progressing like we are. We have done nothing but endanger these elephants. And our reason for this slaughter? Because we are greedy, wanting more items of enjoyment, in result, killing millions of elephants.

Every hour, 4 elephants are killed. Poachers attack them, leaving them to die agonizing deaths while their tusks are gored out of their skull. Isn't it obvious how severely barbaric this is? People killing you because they forgot that you are alive and can feel the pain of dying? Imagine this happening to you or your family.

I am able to accompany/provide supervision for my child.....Row..... to attend the LEGCO Bills Committee on **Wednesday the 6th September** from 9.00am to 1pm and return him/her to school afterwards.
