

Please Ban Ivory Trade in HK
Hong Kong Photography Studio Ltd.
To: bc_06_16

05/09/2017 13:03

Dear Sirs,

Please carry forward with the legislation to ban the ivory trade in Hong Kong. China is taking similar moves and we should follow our great leaders. Ivory trade is outdated and no longer has a place in a modern progressive society like Hong Kong.

It is disgusting to walk thru Hong Kong streets and see 'Death in Shop windows'...

Warm Regards
Sean Baylis
