

Ban ivory trading
Gwen to: bc_06_16

05/09/2017 14:14

I am writing to ask the HK Government to BAN the shameful practice of Ivory trading and not to compensate the traders. The compensation only reinforces the trade & gives value to elephant ivory. Furthermore, as HK has given five years to stop, the Chinese traders will ship their ivory here to get the compensation. This must be stopped now.

THANK YOU

Gwen Dahlberg
