

Ban on ivory sales without compensation
Sonia Tsang to: bc_06_16@legco.gov.hk

05/09/2017 00:09

Dear Legco committee members,

I am writing to support a complete ban on ivory sales, and I am against any policies to compensate the ivory traders. No public money should be deployed to compensate those ivory traders who keep importing the ivory via illegal means since after import/export was banned in the 90s and have the blood of tens of thousands elephants on their hands.

Best regards,
Tsang Pui Ka
