

Ivory petition

to: bc_06_16

15/09/2017 16:37

Dear sirs

In advance of your hearing on 6 October 2017, I would like to join the petition to demand:

- (1) an outright ban of all ivory in Hong Kong effective immediately; and
- (2) that no financial compensation should be paid out to the traders by the Hong Kong government

Kindly confirm receipt and let me know should you need further information.

Sincerely

Natalie Gillen
