

Dear *Sir/madam*

I am Thilo Roehrich, I am 10 years old and I go to Kennedy School.
I am writing to persuade you to ban the ivory trade in Hong Kong. Elephants will be extinct in 20 years if we don't do anything **now!** Ivory has no use except for decoration. Elephants are cruelly slaughtered to get ivory as it shows in these images below.

Many people from my community also support the ivory ban, as you can see with the attached signatures.

Thank you in advance for your attention. I hope you consider the life of elephants by supporting this ivory ban and taking action immediately!

Sincerely Thilo Roehrich
