Dear Chairman,

## **Bills Committee on Fire Services (Amendment) Bill 2016 Invitation for written submission**

Thank you for your letter of 23 December 2016.

Members of the Passive Fire Protection Research Centre welcome and support the proposed Fire Services (Amendment) Bill 2016 as such enactment will finally enhance the fire safety aspect in Hong Kong as well as the professionalism of the engineering field. We have no further comment on the proposed bill and would like to offer our comment should there be any amendment thereafter.

Yours truly,

Ir. Tsui Hon Wing Terry

for President,

Passive Fire Protection Research Centre
