(Amendment) Bill 2017**

**List of follow-up actions arising from the discussion  
at the meeting on 20 December 2017**

The Administration is requested to:

- (a) consider amending the proposed section 11K(2) of the United Nations (Anti-Terrorism Measures) Ordinance ("UNATMO") (Cap. 575) along the line of adding the phrase "with the intention" before "for a specified purpose";
- (b) explain the rationale for and provide the background information on the difference in drafting between section 8 and the proposed section 8A of UNATMO, and consider amending section 8 of UNATMO by adding "specified under section 4 or 5" after "terrorist or terrorist associate";
- (c) provide the legal and policy considerations on whether to provide, in a piece of legislation, for the level or amount of fine imposed on a person who is convicted of an offence on indictment in the light of the fact that such fine is not provided under the proposed section 14(1A) and (4A) but is provided under other pieces of legislation;
- (d) advise whether there are guidelines to the court on the determination of fines upon a defendant's conviction in case where the relevant piece of legislation does not provide for the amount or level of fine to be imposed and consider specifying the level or amount of fines in the proposed section 14(1A)(a) and (4A)(a);
- (e) provide information on the fine imposed by the court in the past for offences liable on conviction on indictment to imprisonment for 14 years; and
- (f) confirm whether all references in UNATMO to "section 6(1) or 8" are amended under the Bill to "section 6(1), 8 or 8A".
