UNITED NATIONS SANCTIONS (DEMOCRATIC REPUBLIC OF THE CONGO) REGULATION 2017

INTRODUCTION

A At the meeting of the Executive Council on 12 September 2017, the Council advised and the Chief Executive (“the CE”) ordered that the United Nations Sanctions (Democratic Republic of the Congo) Regulation 2017 (“the 2017 Regulation”), at Annex A, should be made under section 3 of the United Nations Sanctions Ordinance (Cap. 537) (“the Ordinance”). The 2017 Regulation was gazetted on 15 September 2017 and came into operation on the same day.

BACKGROUND

Obligation and Authority

B 2. Under section 3(1) of the Ordinance, the CE is required to make regulations to give effect to an instruction from the Ministry of Foreign Affairs of the People's Republic of China (“MFA”) to implement sanctions decided by the Security Council of the United Nations (“UNSC”). In July 2017, the CE received an instruction from the MFA requesting the Government of the Hong Kong Special Administrative Region (“HKSAR”) to implement UNSCR 2360. The 2017 Regulation was made pursuant to the instruction. A document issued by the Chief Secretary for Administration confirming the MFA’s instruction is at Annex B.

Sanctions against the Democratic Republic of the Congo

3. The UNSC has adopted several UNSCRs imposing and renewing sanctions against the Democratic Republic of the Congo (“DR Congo”) since 2003. These sanctions included –

- (a) prohibition against the supply, sale or transfer of arms and related materiel, and the provision of assistance, advice or training related to military activities, including financing and financial assistance, to all non-governmental entities and individuals operating in the territory of DR Congo, subject to certain exceptions (*paragraphs 1, 2, 3 and 5 of UNSCR 1807 (at Annex C) refer*);
- (b) prohibition against the entry into or transit through the territories of the Member States by persons designated by the Committee established pursuant to paragraph 8 of UNSCR 1533 (the Committee), provided that nothing in paragraph 9 of UNSCR 1807 shall obligate a State to refuse entry of its own nationals into its territory and subject to certain exceptions (*paragraphs 9 and 10 of UNSCR 1807 refer*); and
- (c) freezing of funds, other financial assets and economic resources owned or controlled by persons or entities designated by the Committee, and the prohibition against making available to, or for the benefit of, such persons or entities any funds, financial assets or economic resources, subject to certain exceptions (*paragraphs 11 and 12 of UNSCR 1807 refer*).

C

4. Pursuant to the instructions of the MFA, the HKSAR implemented the above sanctions through making regulations under the Ordinance, the most recent one being the United Nations Sanctions (Democratic Republic of the Congo) Regulation 2016 (Cap. 537BT) (“the 2016 Regulation”). The 2016 Regulation expired at midnight on 1 July 2017.

5. Determining that the situation in DR Congo continues to constitute a threat to international peace and security in the region, the UNSC adopted UNSCR 2360 (at Annex D) on 21 June 2017, which decided, inter alia, to renew until 1 July 2018 the measures as set out in paragraphs 1 to 6 of UNSCR 2293 (at Annex E), including its reaffirmations therein, and decided that the acts which undermine the peace, stability or security of DR Congo, as engaged in or supported by individuals and entities as designated by the Committee, shall include planning, directing, sponsoring or participating in attacks against the United Nations Organization Stabilization Mission in the DR Congo peacekeepers or United Nations personnel, including members of the Group of Experts (*paragraphs 1 and 3 of UNSCR 2360 refer*).

THE 2017 REGULATION

6. The 2017 Regulation, at Annex A, seeks to implement the sanctions against DR Congo as renewed by UNSCR 2360. The main provisions of the 2017 Regulation include -

- (a) **sections 2 and 3**, which prohibit the supply, sale, transfer and carriage of arms or related materiel to a person operating in the territory of DR Congo;
- (b) **section 4**, which prohibits the provision of assistance, advice or training related to military activities to a person operating in the territory of DR Congo;
- (c) **section 5**, which provides for the prohibitions against making available to certain persons or entities funds or other financial assets or economic resources, or dealing with funds or other financial assets or economic resources of certain persons or entities;
- (d) **section 6**, which prohibits the entry into or transit through the HKSAR by certain persons;
- (e) **section 7**, which provides for the exceptions to the prohibition against the entry into or transit through the HKSAR by certain persons;

- (g) **section 30**, which provides that the Chief Executive may by notice published in the Gazette specify as a relevant person or a relevant entity a person or an entity designated by the Committee for the purpose of the financial sanctions under the 2017 Regulation; and

Resolution 1807 (2008)

**Adopted by the Security Council at its 5861st meeting,
on 31 March 2008**

The Security Council,

Recalling its previous resolutions, in particular resolution 1794 (2007), and the statements by its President concerning the Democratic Republic of the Congo,

Reaffirming its commitment to the sovereignty, territorial integrity and political independence of the Democratic Republic of the Congo as well as all States in the region,

Reiterating its serious concern regarding the presence of armed groups and militias in the Eastern part of the Democratic Republic of the Congo, particularly in the provinces of North and South Kivu and the Ituri district, which perpetuate a climate of insecurity in the whole region,

Stressing the primary responsibility of the Government of the Democratic Republic of the Congo for ensuring security in its territory and protecting its civilians with respect for the rule of law, human rights and international humanitarian law,

Recalling the joint communiqué of the Government of the Democratic Republic of Congo and the Government of the Republic of Rwanda signed in Nairobi on 9 November 2007 and the outcome of the Conference for Peace, Security and Development in North and South Kivu, held in Goma from 6 to 23 January 2008, which together represent a major step towards the restoration of lasting peace and stability in the Great Lakes region, and *looking forward* to their full implementation,

Recalling its resolution 1804 (2008) and its demand that the Rwandan armed groups operating in the eastern Democratic Republic of the Congo lay down their arms without any further delay or preconditions,

Reiterating the importance of urgently carrying out security sector reform and of disarming, demobilizing, repatriating, resettling and reintegrating, as appropriate, Congolese and foreign armed groups for the long-term stabilization of the Democratic Republic of the Congo, and *welcoming* in this regard the round table on the reform of the security sector that was held on 24 and 25 February 2008 in Kinshasa,

Taking note of the final report (S/2008/43) of the Group of Experts on the Democratic Republic of the Congo established pursuant to resolution 1771 (2007) (“the Group of Experts”) and of its recommendations,

Condemning the continuing illicit flow of weapons within and into the Democratic Republic of the Congo, *declaring* its determination to continue to monitor closely the implementation of the arms embargo and other measures set out by its resolutions concerning the Democratic Republic of the Congo,

Recognizing the linkage between the illegal exploitation of natural resources, illicit trade in such resources and the proliferation and trafficking of arms as one of the factors fuelling and exacerbating conflicts in the Great Lakes region of Africa,

Recalling the commitments under the PSC Framework by all States of the region not to interfere in the internal affairs of neighbouring countries, and to neither tolerate nor provide assistance or support of any kind to armed groups, and *reiterating* its strong condemnation of any and all internal or external support to armed groups active in the region, including through financial, logistical or military support,

Reiterating its deep concern regarding the security and humanitarian crisis in eastern DRC due to ongoing military activities of foreign and domestic armed

groups and the smuggling of Congolese natural resources, in particular gold and ivory, *stressing* the importance of neutralizing all armed groups, including the Democratic Forces for the Liberation of Rwanda (FDLR), the Allied Democratic Forces (ADF), the Lord's Resistance Army (LRA), and all other armed groups in the DRC, in line with resolution 2277 (2016),

Reiterating that the durable neutralization of the FDLR remains essential in bringing stability to and protecting civilians of the DRC and the Great Lakes region, *recalling* that the FDLR is a group under United Nations sanctions whose leaders and members include perpetrators of the 1994 genocide against the Tutsi in Rwanda, during which Hutu and others who opposed the genocide were also killed, and have continued to promote and commit ethnically based and other killings in Rwanda and in the DRC, *noting* the reported military operations undertaken by the Congolese Armed Forces (FARDC) in 2015 and 2016 which have resulted in some destabilization of the FDLR, *expressing concern* that these operations have been carried out simultaneously with Congolese Mai Mai groups, *welcoming* the initial resumption of cooperation of the FARDC with the United Nations Organization Stabilization Mission in the DRC (MONUSCO), and *calling for* the full resumption of cooperation and joint operations, in accordance with MONUSCO's mandate,

Reaffirming the importance of completing the permanent demobilization of the former 23 March Movement (M23) combatants, *stressing* the importance of ensuring that its ex-combatants do not regroup or join other armed groups, and *calling for* the acceleration of the implementation of the Nairobi Declarations and of the Disarmament, Demobilisation, Repatriation, Reintegration and Resettlement (DDRRR) of M23 ex-combatants, including by overcoming obstacles to repatriation, in coordination with the regional States concerned,

Acknowledging in this respect the important contribution the Council-mandated arms embargo makes to countering the illicit transfer of small arms and light weapons in the DRC, and in supporting post-conflict peacebuilding, disarmament, demobilization and reintegration of ex-combatants and security sector reform,

Underlining that the transparent and effective management of its natural resources and ending illegal smuggling and trafficking of such resources are critical

for the DRC's sustainable peace and security, *expressing concern* at the illegal exploitation and trafficking of natural resources by armed groups, and the negative impact of armed conflict on protected natural areas, *commending* the efforts of the DRC park rangers and others who seek to protect such areas, *encouraging* the Government of the DRC to continue efforts to safeguard these areas, and *stressing* its full respect for the sovereignty of the Government of the DRC over its natural resources and its responsibility to effectively manage these resources in this regard,

Recalling the linkage between the illegal exploitation of natural resources, including poaching and illegal trafficking of wildlife, illicit trade in such resources, and the proliferation and trafficking of arms as one of the major factors fuelling and exacerbating conflicts in the Great Lakes region, and encouraging the continuation of the regional efforts of the International Conference of the Great Lakes Region (ICGLR) and the governments involved against the illegal exploitation of natural resources, and *stressing*, in this regard, the importance of regional cooperation and deepening economic integration with special consideration for the exploitation of natural resources,

Noting the Group of Experts' findings that there have been positive efforts related to the minerals trade and traceability schemes but that gold remains a serious challenge, *recalling* the ICGLR's Lusaka Declaration of the Special Session to Fight Illegal Exploitation of Natural Resources in the Great Lakes Region and its call for industry due diligence, *commending* the ICGLR's commitment and progress on this issue and *underscoring* that it is critical for regional governments and trading centres, particularly those involved in gold refining and the gold trade to intensify efforts to increase vigilance against smuggling and reduce practices that could undermine the DRC and ICGLR's regional efforts,

Noting with concern reports indicating the continued involvement of armed groups, as well as some elements of the FARDC, in the illegal minerals trade, the illegal production and trade of charcoal and wood, and wildlife poaching and trafficking,

Noting with great concern the persistence of serious human rights abuses and international humanitarian law violations against civilians in the eastern part of the DRC, including summary executions, sexual and gender-based violence and large scale recruitment and use of children committed by armed groups,

Stressing the crucial importance of a peaceful and credible electoral cycle, in accordance with the Constitution, for stabilization and consolidation of constitutional democracy in the DRC, *expressing deep concern* at increased restrictions of the political space in the DRC, in particular recent arrests and detention of members of the political opposition and of civil society, as well as restrictions of fundamental freedoms such as the freedom of expression and opinion, and *recalling* the need for an open, inclusive and peaceful political dialogue among all stakeholders focused on the holding of elections, while ensuring the protection of fundamental freedoms and human rights, paving the way for peaceful, credible, inclusive, transparent and timely elections in the DRC, particularly presidential and legislative elections by November 2016, in accordance with the Constitution, while respecting the African Charter on Democracy, Elections and Governance,

Remaining deeply concerned by reports of an increase in serious human rights and international humanitarian law violations committed by some members of the

FARDC, the National Intelligence Agency, the Republican Guard and Congolese National Police (PNC), *urging* all parties to refrain from violence and provocation as well as to respect human rights, and *emphasizing* that the Government of the DRC must comply with the principle of proportionality in the use of force,

Recalling the importance of fighting against impunity within all ranks of its security forces, and *stressing the need* for the Government of the DRC to continue its efforts in this regard and to ensure the professionalism of its security forces,

Calling for all those responsible for violations of international humanitarian law and violations or abuses of human rights including those involving violence or abuses against children and acts of sexual and gender-based violence, to be swiftly apprehended, brought to justice and held accountable,

Recalling all its relevant resolutions on women and peace and security, on children and armed conflict, and on the protection of civilians in armed conflicts, also *recalling* the conclusions of the Security Council Working Group on Children and Armed Conflict pertaining to the parties in armed conflict of the DRC (S/AC.51/2014/3) adopted on 18 September 2014,

Welcoming the efforts of the Government of the DRC, including the Presidential Adviser on Sexual Violence and the Recruitment of Children, to cooperate with the Special Representative of the Secretary-General for Children and Armed Conflict, the Special Representative of the Secretary-General on Sexual Violence, and MONUSCO, to implement the action plan to prevent and end the recruitment and use of children and sexual violence by the FARDC, and to combat impunity for conflict-related sexual violence, including sexual violence committed by the FARDC,

Noting the critical importance of effective implementation of the sanctions regime, including the key role that neighbouring States, as well as regional and subregional organizations, can play in this regard and *encouraging* efforts to further enhance cooperation,

Underlining the fundamental importance of timely and detailed notifications to the Committee concerning arms, ammunition and training as set out in section 11 of the Guidelines of the Committee,

Determining that the situation in the DRC continues to constitute a threat to international peace and security in the region,

Acting under Chapter VII of the Charter of the United Nations,

United Nations Sanctions (Democratic Republic of the Congo) Regulation 2017

Information on the Democratic Republic of the Congo

Country Background

The Democratic Republic of the Congo (DR Congo) is a country in Central Africa, bordered by Angola, Burundi, Central African Republic, Rwanda, South Sudan, Republic of the Congo, Tanzania, Uganda and Zambia¹. It has a total area of 2,344,858 sq. km. and an estimated population of around 81.33 million. Formerly a Belgian colony, DR Congo achieved independence in June 1960 and established the republic government in capital Kinshasa. It is a major producer of cobalt ore, copper and tantalum and had an estimated GDP of US\$39.82 billion (or HK\$309.08 billion) in 2016².

Sanctions imposed by the United Nations Security Council

2. Since 1996, DR Congo has been plagued by civil war and armed conflict. The hostilities between the ruling government and foreign militia forces started off the so-called Africa's World War in 1998, which was ended by a peace accord in 2003. The war claimed lives of more than three million people. Fightings among different warring factions continued in DR Congo, especially in the East.³ The instability of the state has resulted in extensive poverty and human rights abuses. The Mission of the United Nations Organization in the Democratic Republic of the Congo (renamed as the United Nations Organization Stabilization Mission in the Democratic Republic of the Congo since 1 July 2010) was established in 1999 to monitor the peace process in the state.

3. In view of the security concern arising from the instability of DR Congo, the Security Council of the United Nations (UNSC) adopted Resolution 1493 in July 2003, which imposed arms embargo on all foreign and Congolese armed groups and militias operating in the conflict territory. The sanctions measures were subsequently strengthened with the adoption of a series of Resolutions by which the UNSC extended the scope of the arms embargo to the entire territory of DR Congo, and imposed travel ban and financial sanctions.

4. Since March 2008, with the adoption of Resolution 1807, the arms embargo has been further modified to apply only to all non-governmental entities and individuals operating in DR Congo. The sanction measures against DR Congo were subsequently renewed with the adoption of Resolutions 1857, 1896, 1952, 2021, 2078, 2136, 2198 and 2293 by the UNSC. On 21 June 2017, the UNSC adopted Resolution 2360 to extend the arms embargo, travel ban and financial sanctions imposed on DR Congo until 1 July 2018.

¹ At present, there is not a definite list of Belt and Road countries, but DR Congo is usually not regarded as one of the countries along the Belt and Road.

Trade Relation between Hong Kong and DR Congo

5. In 2016, DR Congo ranked 117th among Hong Kong's trading partners in the world, with a total trade of HK\$281.5 million. Of these, HK\$264.0 million worth of trade were exports to DR Congo, and HK\$17.4 million were imports. Hong Kong's trade with DR Congo are summarised as follows –

Hong Kong's Trade with DR Congo [Value in HK\$ (in million)]		
Item	2016	2017 (January – June)
(a) Total Exports to DR Congo	264.0	192.4
(i) Domestic exports	3.9 ⁴	0.3 ⁵
(ii) Re-exports	260.1 ⁶	192.1 ⁷
(b) Imports from DR Congo	17.4 ⁸	5.0 ⁹
Total Trade [(a) + (b)]	281.5	197.4

In 2016 HK\$256.7 million worth of goods, or 1.1%¹⁰ of the total trade between DR Congo and the Mainland, were routed through Hong Kong. Of these, HK\$0.8 million worth of goods was re-exports of DR Congo origin to the Mainland via Hong Kong. The remaining HK\$255.8 million were re-exports of Mainland origin to DR Congo via Hong Kong.

6. Given the small trade volume between the two places, the sanctions imposed by the UNSC against DR Congo would unlikely have any significant effect on Hong Kong's economy.
